

HÉRISSON

Hérisson Cider is now available in two forms—apple and pear. Using a traditional Nordic recipe with a French influence in production, the Hérisson cider is a modestly adorned sparkling cider that pushes out aromas of yeast, yellow apples / pears, green grapes and honeycomb. The juicy palate is zesty and reminiscent of Moscato wine, with similarly sweet creamy mousse with a lemon peel flavor and acid that drives through the richness.

Proof: 4.5% Vol.
