

A lot can happen around a campfire. For us, that's how all this started—a challenge among friends, an ugly dog named Ruger and the desire to make something great. With that in mind and a lot of hard work, we started creating award-winning, handcrafted spirits.

EVERY DROP, HANDCRAFTED.

Great care goes into everything we do. That's why one of our founders and Master Distiller Dewey Winkle, handcrafts everything from our spirits to our copper stills—which he helped hand-hammer and weld.

Our batches are very small. Our quality is premium. Our prices are affordable.

RUM

In the 1800s, a few bands of pirates called the Great Lakes home. This inspired us to set out on an adventure of our own—to craft a full-flavored, light Rum. Because sugar cane is not grown in Michigan, it is imported to the distillery from Florida.

- 80 proof.
- Made from 100% sugar cane.
- Complex, yet balanced.
- Perfect for mixing with sodas and colas, creating classic Rum punches or fruity, frozen concoctions.
