Cabernet Sauvignon

RESERVE

SAINT HELENA - NAPA VALLEY

Winemakers Notes:

Our Reserve Cabernet is composed primarily of fruit hand-picked from a single block in our Centa Vineyard; the best fruit we have to offer. Intense summer heat and obsidian rich soils result in small, dense clusters of grapes bursting with complex flavor and tannin.

Spending nearly three years in French oak, this wine is not for the faint of heart. Dense, concentrated, and inky purple on the verge of black in the glass. Clove, cinnamon, saddle leather and heaps of vanilla on the nose with a body to match. Juicy dark cherry, blackberry and black plum are layered over smoked meats, graphite, mocha, and a touch of dark cocoa powder. Soft sizable tannins are present throughout, bringing structure to the complex flavors and driving a seemingly endless finish.
