Cabernet Franc

NAPA VALLEY

Winemakers Notes:

As one of the four Bordeaux wines used in blending into Cabernet Sauvignon, Cabernet Franc is known for its aromatic qualities of floral violet, rich blueberry, and dark plum. Luscious deep red and burgundy purple in color, the immediate aromatics of this Cabernet Franc are of deep dark cherry, anise, and plum.

Aging for 18 months in select French oak barrels gives the wine delicate cedar cigar box aromas. Soft velvety tannins add to the mouthfeel, while plum, raspberry, mushroom and black pepper come together in a classic expression of Bordeaux varietal fruit. Beautiful and youthful, this wine has the tannins and acidity to age well for 6-8 years in the cellar.
