

RADIX

2016 DEXTER

The Vision

RADIX - from the Latin word for
"root."

Our unique concept is crafting red blends from the Red Mountain AVA using grape varieties that share genetic roots. As one of our two flagship wines, this is a co-fermented blend of Cabernet Sauvignon, with its parent variety, Cabernet Franc, from Scootenev Flats Vineyard. We hope you gather with family and friends over a bottle of our wine to discuss your own roots!

The Specs

AVA: Red Mountain

Vineyard: Scootenev Flats

Varieties: 62% Cabernet Sauvignon and 38% Cabernet Franc, co-fermented

Harvest Date: 10/6/2016

Winemaking: Cold soak, BM 4X4 yeast, extended maceration, natural malolactic fermentation

Oak: 21 months in 25% new French oak (Taransaud medium toast and Boutes Grand Reserve) and 75% neutral French oak

Bottling: Unfined and unfiltered

Alcohol: 15.5%

Cases produced: 189

Tasting Notes

Bursting aromas of dark cherry, baking spice, tobacco leaf and dried herbs. A mélange of concentrated cherry, raspberry and red currant fruit flavors glide along the palate with balancing acidity and very fine tannins. The long iron tinged finish screams Red Mountain.
