

Nothing substitutes for good ol' Kentucky Bourbon whiskey, except maybe Peanut Butter and Kentucky Bourbon whiskey. Some may say STOP, but like the proverbial ugly dog, what looks ugly on the outside has its true beauty on the inside, and we all know that's what counts. Trust us, this is a combination that even the angels would stop and partake in. In fact, they go together so well it's virtually impossible to have just one of this delicious treat. Be warned you'll likely become hooked. Every adventure starts somewhere, make sure yours includes an Ugly Dog at your side.

### EVERY DROP, HANDCRAFTED.
