## SAFE SEX

SPARKLING ROSÉ WITH ALCOHOL REMOVED

*Soft red berry aromas, fresh flesh,  
tempted by the fruit*

Chardonnay grapes were picked and pressed. The juice was fermented to wine and the wine was then de-alcoholized. We added natural flavors, sugar, grape skin extract (for color) and oak tannins. The wine was then carbonated and bottled. The finished wine contains less than 0.5% ABV. the wine has soft red-fruit scents, ripe flavors and a clean, rounded finish balanced with the perfect level of sweetness.
